CDM Draft Close Support Facility Negative Exposure Assessment Report -
June 2003

Dear Mr. McGuiggin:

CDM is pleased to submit the draft close support facility (CSF) negative exposure assessment report. This report details the monitoring activities performed, results, and corrective actions from the negative exposure assessment conducted in June 2003.

If you have any questions or comments regarding this report, please call me at (617) 452-6257.

Very truly yours,

For Timothy B. Wall
Vice President
CDM Federal Programs Corporation
